## HELPING BUSINESS GROW

Questor Financial is a nationally based Commercial Finance Institution, focused on providing one stop financing solutions to small and medium sized Businesses and Vendors.

Since 1987, Commitment and Expertise have been the two key words that are the foundation of Questor's corporate strategy.

Behind these two concepts, there are 40 high level partners who share their energy and knowledge for the benefit of customers that are becoming more and more sophisticated in their financing requirements.

Selecting a financial partner is crucial to growing a business. Questor's team of partners are leaders in developing financial solutions that are customized to the customer's growing and complex needs.

Through our solid alliance with a multitude of Leasing and Financial Institutions, Banks, Insurance companies and Private Finance companies across Canada, Questor is your one stop solution to financing.

Our products and services are designed to provide you with a single source of contact for all your equipment financing requirements.

# OUR SERVICES

**"OUR PRODUCTS AND SERVICES ARE DESIGNED TO PROVIDE YOU WITH A SINGLE SOURCE OF CONTACT FOR ALL YOUR EQUIPMENT FINANCING REQUIREMENTS."**

### ■ Vendor partners

As a Questor Vendor Partner, we focus on simplifying the financing process to ensure improved closing ratios and increased sales. Our online application gets your customers approved fast; making your sales force more productive.

### ■ Equipment Leasing & Conditional sales Agreements

Regardless of the size of the company or the type of equipment we offer custom leasing packages to suit your business needs. With access to a multitude of lenders, we finance business equipment from \$1,500 to \$5,000,000.

### ■ Equity funding

With various associations with public and private equity funding sources, we can help your business grow. Whether you require subordinated debt or direct equity injection, we can help you achieve your growth goals.

### ■ Operating lines of credit

Our established relationships with major banks, backed by our extensive experience in corporate banking, allows us to offer the best operating lines in the business. If you are un-satisfied with your current bank or simply looking to increase your line, we can help.

### ■ Commercial mortgage financing

Our commercial mortgage financing services allow you to finance construction or expansion costs, or even the purchase of a new building. We also provide bridge construction financing services and second mortgages.

### ■ Factoring of receivables

Managing growth can be challenging for any business. When your growth surpasses your capital allotment, look at Questor for help. We can assist you in structuring a factoring agreement that enables you to continue to support your growth.

### ■ Term loans

We offer tailored, flexible term loans ranging from \$10,000 to \$10,000,000, allowing you to continue to grow your business.

### ■ Consulting services

Our consulting experts can guide you through strategic planning and training sessions. We also provide corporate restructuring services and complete market studies.

### ■ Vehicle leasing

We can also access excellent rates on vehicle leasing. Let the experts at Questor guide you to the best deal in the market.
