Volume 04-09-01 **Q'S News Bulletin-Rate Break**

**Dear Debra,**

**March Break...Easter Break...Rate Break!**

We are pleased to announce a holiday from the credit crunched rates on the **\$50K and up lease ranges**.

By leveraging our partnerships with the strongest lending sources in Canada, Questor is now able to offer extremely competitive rates on larger transactions, in most cases **upwards of 75- 100 bps reduction!**

Now there's a timely break! Particularly when the ***Globe and Mail*** reports commercial rates are higher today. See [Lending Tap Opening. But at a Price.](#)

Rates are subject to credit approval. Recently quoted transactions may already reflect the rate break as it is programmed into **Q Link**, but please contact me for details if you have a quote over \$50k that may qualify for additional discount.
