Volume 01-09-01 **Q'S News- Vendor Bulletin**

Dear Debra,

Can't sell? No one is buying?

You are right...**everyone is leasing.**

Questor has seen huge volumes of applications for two very simple reasons:

- 1) We have multiple sources of capital and we are actively lending.**
- 2) In this market every company must preserve their working capital to hold onto to their bank lines. They cannot afford to use cash or bank lines when access to credit is so restricted, yet they still need equipment to run their business.**

Leasing is a perfect solution-- flexible, affordable and diversified from bank lines of credit.

Your Vendor Leasing Program is critical to your growth in 2009 as it is the solution for your customers' needs, and it is the solution for your sales objectives.
