## New Contact Numbers

Excuse us  
while we  
VOIP...

We are taking advantage of all the features of VOIP technology to improve our customers' experience. Questor's new phone system will allow your calls to find us whether we are on the road or in the office.

While our office numbers remain the same, we have dropped the local fax line and preserved the toll free for your convenience.

Therefore, our fax number is **1 877 889 8807** and our telephone main line continues to be **1 800 367 9793 , or 905 695 0955 for local clients.**

**Please note we have added a "2" before every extension to accommodate the new system.**

**Thank you for your continued support and we strive for minimal disruption during our office move, both literally and figuratively, towards greater services and and enhanced technology for our customers.**
