What's In It For Me?

Dear Debra,

At Questor, we respect that our partners are busy and we genuinely appreciate your attention to **Q's News**.

We decided to kick up the WIFM factor (what's in it for me?) and make sure Q's News offers relevant information for your business with a fresh new look... oh, and some great prizes!

Go Ahead and Grade Us

In the September spirit of back-to-school, we ask that you grade us on 9 quick questions. ***What's in it for you?***

First, if you are not using leasing as a sales tool you are losing business: help us ensure our services meet or exceed your requirements to help close more sales.

And , secondly, we are **drawing monthly for prize winners** if you choose to include your data on the quick survey.

HOW ARE WE DOING?

Vendor of the Month - Q Link in Action

Executive Furniture
Rentals

Executive Furniture Rentals recently added **Q Link** to their website, along with a [Leasing Page](#) of FAQ for their clients..

President Mark Miller borrowed heavily from [Questor's sample vendor page](#) but tweaked it slightly to reflect his business. Now EFR offers a full solution to their clients of furniture rentals and leasing options, and he is not losing business to a competitor who quotes leasing.

Thank you very much , we appreciate your input wiith our survey as we share the same goal to help increase your sales.

If you would like more information about **Q Link**, a **Customized Leasing Page** and our **Vendor Leasing programs**, please do not hesitate to contact me.

Kind Regards,

Ezio Traunero
